# The Process

Are you wondering what the process is once you book with me? Well, here it is:

## 1- Booking

After you send me an inquiry, I will get back to you as soon as possible. You will then receive an email for you to sign up for an initial call slot. This will be a quick chat to discuss packages and to see if we would be a good match. If we do believe I will be a good fit for your special day, we move onto the next step...

## 2- Contract

Once everything is confirmed, I will send you a contract. This step of the process helps protect me but also you as well.

## 3- Invoice

After we both sign the contract, I will then send you an invoice.

For weddings, you will pay a 50% retainer (this will make it so your day is officially booked up and no one else can take it). Two weeks before the wedding I will then send you an invoice for the rest of the payment that needs to be paid and processed before the big day!

For non-weddings, you will be sent an invoice for the whole price.

This is refundable if you were to decide to change your mind.

## 4- Questionnaire

No matter what kind of shoot or video, you will be sent a questionnaire. This just helps me to get to know you a little more and for weddings put together your timeline for the day.

## 5- Meeting

For weddings, I suggest we do at least one meeting before the wedding to talk about your special day and the vision you have. We can also go over any questions you have about the questionnaire, which brings me to...

## 6- Production Time!

When your scheduled shoot comes around, I'll be there on time (or probably even early) ready to take on whatever I have ahead of me.

## 7- Product Delivery

Once I have completed all of the editing, I will send your digital product your way so you can have it to enjoy and cherish the rest of your life!

## *Ready to book?*

Let's do this!

I am so excited to work with you!  
If you are interested in booking a shoot or have questions about packages or pricing, please use the form on my website to send an email. I will try to reply within 24-48 hours.
